

TIME TO PARTY!

Words Kelly Hennessey from My Style
9 August 2009

Got a party to plan? Kids Social is a portal dedicated to making planning and hosting kid's parties easier and more enjoyable for parents.

Kids Social cleverly brings together all the key elements needed such as e-invites and party theme ideas etc and but also offers guidance and support to make coordinating the event stress free. There is even advice on how to cater parties to a budget.

Visit [Kids Social](#).
