SOCIAL PLANNING SITE LAUNCHES THE ULTIMATE ONLINE GUIDE FOR SUMMER FESTIVAL-GOERS

December 8, 2008

Summer brings with it a multitude of talent, and with so many stellar acts gracing Australia's shores this year, it would be easy to miss an entertainment opportunity. Enter MyInvites' Summer Festival Guide – a one-stop-portal ensuring music fans can check out up-to-the-minute festival info in one easy on-line location.

MyInvites' Summer Festival Guide profiles all key festivals into 2009, outlining dates, details and relevant links. It allows viewers to enjoy a snapshot of the Summer line-up, and to invite their friends to events, using funky online invitations.

For those new to the festival scene, the Summer Festival Guide provides valuable pointers on how to survive, and thrive during long festival days and nights. From slip, slop, slapping to savvy attire, festival-goers will be armed with all the street smarts they need – securing happy memories, and avoiding post-festival blues along the way.

80,000 people visit MyInvites each month seeking social inspiration. With this Summer promising a hot line-up of home-grown and international acts too good to miss, save yourself time and heartache by checking out myinvites.com.au, or visit our [summer festival guide](#) online.
